OAHU-SERVICE AND PACIFIC LEAGUES ARRANGE SCHEDULES FOR BIG GAMES

Opening Games of Pacific League on May 5—All-Stars Will Meet Wreckers on May 6—Senator Charles Chillingworth Selected as President of Oahu-Service League—Majority of Baseball Stars of Honolulu Will Be Seen With New League

Baseball in the Oahu-Service and Pacific Leagues will be given a start shortly after the first of May, with two games on Sunday and two games Saturday at Moiliili field. At a meeting of the two leagues an official schedule was outlined for the first season.

Members of the Oahu-Service League at a meeting on Saturday afternoon selected Senator Charles Chillingworth as president of the league. Senator Chillingworth is a real fan and has always been known as a booster for baseball. It is certain that the league will be a success with such a man at the helm.

The Oahu-Service League made another 40-strike when they secured Lieut. Carl L. Cohen as vice-president of the organization. Lieut. Cohen is one of the most enthusiastic fans in the islands, and has had much to do with the advancement of baseball at Schofield.

Hushaw, Secretary

Bert Hushaw was unanimously elected as secretary of the league. Hushaw has had much experience in baseball circles, and has shown keen judgment in all matters pertaining to baseball. Ed Noll was named as treasurer and Louis Stephens was the choice for auditor. These names have been identified with baseball in Honolulu for some time and the league members have made wise selections in regard to these men. J. E. Higgins, a real live wire, will be the manager of the league. Higgins has been instrumental in arranging the details toward organization.

Members of the Oahu-Service League decided to stage games at Schofield and Honolulu. One game will be played at Moiliili field on Sunday afternoon, and on the same Sunday the other two teams will play at Schofield. The schedule as arranged gives the All-Stars and Wreckers the opening date in Honolulu on May 6. Henry Chillingworth will be in charge of the All-Stars. Manager Stewart will lead the Fort Ruger team. Manager Smith will guide the destinies of the 32nd Infantry and Lieut. Carr will have supervision over the Wreckers although it is not certain whether he will take active charge as the majority of players are now stationed in Honolulu.

In discussing the players on the various teams, one manager said that the Oahu-Service League will have all of the stars in the islands with the exception of about four players. He pointed out that the league has at least six pitchers better than any others in the islands. Among the hurlers who will work in the league are: Johnny Williams, Crumpler, South, Brindza and Billy Williams for the All-Stars; Morgan, Waterhouse, Jasper and Audison for the Wreckers; Pruitt and Stewart for the Fort Ruger team and Mashaw and Jackson for the Baby Regiment.

The managers claim the best first sackers in the islands in Lyman, Halley and Hawkins. These three players are real stars and Bailey looks to be the best fielding first sacker seen here in many moons. With Johnson, Chillingworth and Smith the Oahu-Service officials declare that they have the three leading shortstops in Hawaii and few will disagree with them.

Maddis Will Play
Maddis is of course the best third sacker in Hawaii and has always been for that matter since Lat Tin decided to hurry away from Hawaii. Stewart and Smith believe that Stillwell and Holcomb will measure up to Maddis, but although these players are improving they have not yet reached the standard of the great army player. Swan is fully up to the standard of Stillwell and Holcomb in every department.

At second base the teams have not a player as good as Moriama, and it would take real fielding to beat out En Sue in center field or Kan Yen as catcher, although Stratton and Henshaw are much better hitters than the Chinese player.

The Baby Regiment will have a great outfielder in Buckland if the little fellow continues to improve. He has a world of speed and gets the ball

PLAYERS KNOWN HERE HAVE BEEN SHOWING CLASS

Push Beattie, the big southpaw who played here with the All-Americans last year, has been pitching great ball for the Chicago Cubs. In a recent game he outpitched Mammy, the Pittsburgh star, beating the Pirates 6 to 1, holding them to six hits and striking out nine of the opponents. In addition he secured two hits, "Rowdy" Elliott, who caught for the All-Americans in Honolulu, was behind the bat.

Win Naves had a hard time against the Washington team, pitching for the Athletics, and lost out by a score of 6 to 2. Louis Gusto has been hitting the ball hard and in a recent game won for Cleveland with a timely swat. Ping Bodie secured three hits off "Babe" Ruth in a game the other day.

FUTURE GREATS HAS BEEN

Capt. James Borges and his baseball tossers of B. F. Ehlers & Co. downed the Firestones, representing Smoot & Steinhilber, on Sunday by a score of 11 to 7. Lopes and M. Phillips worked for the Ehlers team and Simon hurled for the Firestones. The Ehlers team will soon begin to play their country games. They will first play the Wapahu aggregation.

They are all guessing who will win the Pacific League title, but there has been no general opinion. The Star-Bulletin would like to find out the opinion of the fans, and the first reader sending in a correct selection how the teams will finish on July 1 will be given a season ticket in the grandstand for the second series. Third sacker sent in a selection for publication, but his listing may not be correct. Try it out.

Here is the opinion of Thirdsacker on how the teams will finish in the first series of the Pacific League: Chinese, St. Louis, Asahis, Healanis, Braves, McKinley, Hawaiis and Filipinos.

Johnny Williams was surely burning hot over in the game at Athletic Park on Sunday morning and the same may be said for his brother, Bill. Henry Chillingworth has lined up both these players for the All-Stars.

Culpepper, who umpired behind the plate in the first game at Moiliili field Sunday, said that he never saw so many curves in his life, when Nushida started sending them over. This little fellow has lots of stuff, and will be heard from in the future. Maesaka is also a clever pitcher and there is no question but what the Asahis will be well fortified in the pitching department.

Frank Kalua has a number of stars ready for the opening of the season, and expects the Hawaiis to finish in the first division. "We will have a much stronger team than last year," said Kalua today. "We're going to be right up with the leaders this year. Last season we lost a heart-breaking game to the St. Louis team in 15 innings, and will be ready for Hayselden and Markham this year."

Last year the Braves lost to three of the teams in the Pacific League. St. Louis, Chinese and Filipinos defeated the Brave team, the last mentioned team blanking the Indians. Among the games captured by the Braves were 6-4, 5-4 and 5-3 victories from St. Louis, and also victories over the Chinese Nippons, Hawaiis and Punahou.

Last year St. Louis won a 15-inning game from Hawaiis, 6 to 5. They also trimmed the Nippons in a 12-inning affair by the same score. They also defeated Punahou, 3 to 1. The Nippons captured a game from St. Louis, 1 to 0, with Nushida in the box. Nushida is pitching for the Asahi team this year.

The Hawaiis were the hard luck team last season. They lost every game by one run, falling down before the Nippons, St. Louis and Braves.

The Star-Bulletin team was apparently beaten with the score 7 to 1 against them in the seventh inning of the game at Moiliili field on Sunday, but the squad rallied and scored 11 runs in one inning off the Lewers and Cooke pitchers.

Thevenin pitched great ball for the Lewers & Cooke team for six innings, and showed a lot of stuff. With more pitching practice he should stop a lot of the teams this season.

Heads New League

Senator Charles Chillingworth, one of the best known baseball fans of Honolulu, was elected president of the Oahu-Service League at a meeting of the managers on Saturday evening. Senator Chillingworth is a booster for all branches of sports and the Chillingworth family is well known in practically every line of athletic endeavor. He is certain to be a big help in advancing the interests of the organization which promises to cut a swath in local baseball.

FARRANT TURNER STARS IN SWIMS AT WESLEYAN U.

Farrant Turner, a Honolulu boy, has been making an excellent record in the intercollegiate swimming meets in the East this year. Turner has finished second to Vollmer, the Columbia University star, and as a rule has defeated all other stars in aquatics.

Turner, who is captain of the Wesleyan team, was a star in the Wesleyan-Williams meet, which was captured by the Middletown natators by a score of 34 to 19. He finished first in the 40-yard swim in 19.25 seconds and defeated West of Williams in the century, in time well under one minute. Turner also finished the third lap of the relay ahead of the Williams anchor man.

In the intercollegiate Turner finished second to Herbert Vollmer, defeating Mayer of Yale and Lemcke of Amherst by a big margin. In the 50-yard event Turner finished third, competing against a field of stars. Swimming has been given a big boost at Wesleyan, and much of the success of the team has been due to the efforts of the Honolulu boy.

EXPECTS NO END OF WAR THIS YEAR

[By Associated Press]
MADRID, Spain—According to some of the advisers reaching Spain, the end of the European war is not likely to occur this year.

His Excellency, Senor Amalio Gimeno, Spanish Minister for Foreign Affairs, expressed this view to a representative of the Associated Press in the course of a conversation held at the ministry of state.

Spain occupies a unique position as the representative of most of the nations at war and as such she is in a position to gauge the currents of information which flow in from all the quarters directly connected with the conflict. She protected the interests of some of these countries from the first, and has recently taken up most of the others laid down by the United States on the severance of relations with Germany. Already it had been vaguely conjectured that the end of the war was a good way off, but this was the first expression from one in authority based on the unusual opportunities of the central mediating neutral to judge the real condition and outlook.

Time is Matter of Doubt
"We have all hoped that this terrible conflict could be brought to a close this year," the minister went on, "perhaps in the early months of the fall and certainly by the end of the year. But I am sorry to say some of the information now reaching me is contrary to these hopes, although I am unable to make any positive statement, the end may come next year, but even that is a matter of doubt."

To be sure, there is always the possibility of a sudden and more favorable turn of affairs which may bring a crisis and an unexpected termination of hostilities. But generally speaking, we are obliged to accept the evidences of the present.

"It is a fearful prospect," he added, "considering the enormous destruction, suffering and misery which the people of these stricken countries are undergoing, and which is beginning to be felt by the people far removed

HAWAII BOWLERS WIN FOUR FROM NATIONAL TEAM

Y. M. C. A. BOWLING LEAGUE
P. W. L. Pct.
All-Chinese 8 7 1 .875
Cosmos 12 9 3 .750
Hawaiis 12 8 4 .667
Mid-Pacific 16 6 10 .375
Nationals 20 1 19 .050

Last Night's Results

Hawaiis 4, Nationals 0.
By winning four straight from the Nationals, the Hawaiis entered the championship race for the second series in the Y. M. C. A. League last evening. Capt. Williams' team is a real factor now, being only one game behind the Oahus and Cosmos who are crowding the All-Chinese for first place.

With Williams and Canario averaging well over 180, the Hawaiis bowled consistently but not high last evening. They turned in three good 800 games and totaled 2573. The Nationals were unable to better 800 in any game and ended with the highest possible combination of figure two's.

Munger was tried out by the Hawaiis and bowled the best single game of the evening. A poor last game spoiled his evening's average. Capt. Louis Stephens did the best work for the Nationals.

Tomorrow and Thursday, the real fight for the series is on. Every game will count. The Cosmos and All-Chinese bowl on Wednesday with the Hawaiis and Oahus in the points on Thursday. Bowlers are practicing up for the driving finish these last two weeks of the schedule.

Last night's summaries:
Nationals—1st 2nd 3rd Total
Stephens 177 138 179 494
Brown 155 155
C. Yim 170 122 292
Nakamatsu 177 155 144 476
Woolaway 136 132 149 417
McTaggart 120 131 157 388

Totals 765 726 731 2222
Hawaiis—1st 2nd 3rd Total
Azevedo 170 169 133 492
Munger 174 201 124 499
Decker 168 167 156 491
Canario, H. 172 172 200 544
Williams 178 173 198 549

TOM COWLER KNOCKED OUT BY FRANK MORAN

NEW YORK, N. Y., April 13.—Frank Moran of Pittsburgh knocked out Tom Cowler, an English heavyweight, in the fourth round of a ten-round match here tonight. Two blows, a right over the heart, followed quickly by a left to the jaw, finished Cowler after two minutes, 40 seconds of rapid exchanges. Moran weighed 201 pounds and Cowler 215.

GOLD IN TRANSVAAL

[By Associated Press]
LONDON, ENG.—The production of gold in the Transvaal is relatively less profitable in war than in peace time, owing to the fixed price of gold, and the cost of mining it has been increased by the rise in other commodities. The Transvaal chamber of mines, in its yearly return shows that the output of gold was record one of 39,484,934 pounds sterling. An increase in costs reduced the profits from 12,186,100 to 11,811,294 pounds sterling.

from the era of warfare. But fearful as it is, that is one of the unpleasant realities of the war which we must face, and shape our course accordingly, instead of being led by vain hopes.
Senor Gimeno is not only the guiding figure of Spain's foreign relations during the war but he is eminent in scientific as well as in public affairs. Besides holding the portfolio of minister of state he is a senator, a member of the faculty of the University of Madrid, a doctor of medicine, an author of standard books on scientific and medical subjects, five times a member of the cabinet, and one of the foremost men of the liberal party now in power. These many qualities give him a position and authority in Spanish affairs much beyond that of a political leader.

Whether stopping here for a day or for the summer, you will find this a hotel of perfect satisfaction

ENTHUSIASTS WORKING ON PLANS FOR JUNIOR TENNIS CLUB IN HONOLULU

Alan Lowrey and A. L. Castle Interested in Movement for Boosting Tennis Among Youngsters—More Than 80 Have Filed Applications as Members of Proposed Tennis Club—Ground Needed for Courts—Johnston Says Help Youngsters

Enthusiasts are unusually bright for the organization of a junior tennis club in Hawaii, and as soon as some ground is secured for courts work will be started at once on a campaign for courts and a clubhouse for the youngsters.

Alan Lowrey, one of the most enthusiastic boosters for junior tennis in Hawaii, has been working on a plan to secure a suitable location for courts, and is expected to have something to report in the very near future. Tennis in Honolulu is dependent upon the younger players, who will be stars in the future, and the establishment of a junior tennis organization would place tennis here on a plane with California.

Lowrey is hopeful that some public spirited man will come to the front and donate a plot of ground for the building of courts, and if this is done a campaign could be waged for courts and a clubhouse which would answer the purpose.

Youngsters Intended

More than 80 youngsters have already sent in their names as prospective members of a junior tennis organization, and there are others who will come in later when arrangements have been made for the organization. If the courts can be secured the youngsters will be able to run their own organization with an advisory committee at the head.

Billy Johnston, Peck Griffin, George

Church and others have discussed the junior tennis plan, and all have been enthusiastic about it. They believe that with a junior tennis club organized in Honolulu in a few years will have players in the first rank.

Alan Lowrey and A. L. Castle have been actively interested in the plan, and it is thought that the efforts of these two enthusiasts will bring about results. Other tennis players of the city are expected to join the movement to secure ground for the establishment of courts, and with the help of all interested in the court game, the organization of a permanent club will soon be a reality.

San Francisco has a number of junior clubs, and all the stars of the present day learned their tennis as members of similar organizations. There is a certain competition which tends to improve the game of the youngsters and Roberts, Billy Johnston, Griffin, Strachan, Batkin, Marcus and others are products of these courts.

Lowrey said the other day that he was working on a plan which he expected would bring about results, and all followers of tennis will be interested in the success of the first definite movement for the improvement of the game in Honolulu. The boys have responded by showing an interest in the movement. They will have their nickels ready to pay if the ground is provided for the courts.

Why B. V. D. Is Best For Your Body And Most For Your Money

LOOSE Fitting, Light Woven
B.V.D. Coat Cut Under-
shirts and Knee Length
Drawers are correctly cut as to
size and there is a shapeliness
to the garments that makes
them hang smoothly and
evenly, with neither too much
fullness nor too little.

The garments are tailored with
noticeable balance and drape
and they retain both, no matter
how much worn or how often
washed.

We use only materials worthy of B. V. D. reputation
and we reject all others which do not pass our tests
for strength, durability and for coolness of wear.

B. V. D. Underwear has gained worldwide popularity
through its intrinsic merit.
